May 27, 2021

Greetings Raven Families,

I am excited to announce that we will be re-opening our Raven offices to our families and students.

The Juneau and Delta Junction Raven Offices will be open to the public, families, and students starting June 1, 2021. The Anchorage, Wasilla, Fairbanks, and Eagle River Offices will be open to the public, families, and students starting July 1, 2021. Staff will be returning to the offices full-time and are working with their local offices to plan activities and workshops for our students.

Throughout this public health crisis, Raven has utilized guidance and recommendations of federal, state, and local public health agencies. We will continue to make the health and safety of our staff, families, and students a priority. As our Raven offices are opened to the public, the YKSD District Office and Raven School Offices will transition to the following health and safety procedures:

- **Face masks will be optional except for in large group meetings**
- **Desk shields will no longer be a mandatory feature, but will be used as appropriate when needed for health and safety protection or individual meetings**
- **Temperature checks will no longer be a daily routine when students, staff or visitors arrive**
- **Enhanced sanitation practices will continue in our facilities to ensure clean, healthy schools**

These procedures will be maintained barring any future emergency orders or crisis events.

This has been a unique and challenging school year and we have all been impacted from the experience of the pandemic. I would like to thank all of you for your ongoing support this year and look forward to seeing our families and hearing about the workshops and activities in the coming days.

Sincerely,

Kerry Boyd
Superintendent
